

**INSTRUCTION**Evaluation of the Instructional Program

1. An atmosphere of mutual respect and courtesy shall be a primary goal of the school, and the faculty and staff shall make every effort to achieve it.
2. The faculty and staff shall protect instructional time from interruptions and intrusions.
3. The scope of the regular school day shall be limited to teaching and learning activities.
4. The faculty and staff shall monitor and evaluate the quality of instruction through:
  - a) the establishment of specific and mutually developed objectives for each teacher;
  - b) a systematic program of classroom observation and follow-up consultation with the individual teacher;
  - c) professional assistance, in-service training, and other support based on the needs of teachers; and,
  - d) the analysis of data with respect to pupil achievement.
5. The faculty and staff shall prepare and follow a biennial school plan approved by the division superintendent, which is consistent with the school philosophy, goals and objectives, and the division-wide plan.
6. The faculty and staff shall be responsible for utilizing the resources of the community and involving parents and citizens.
7. The faculty and staff shall maintain high academic expectations for all students.
